Living in De Meester means: living in a beautiful monumental building in the Kleverparkbuurt in Haarlem. The school building from the 1920s has been developed into 74 different types of homes, consisting of 178 luxurious renovated new-build apartments in the mid-market and free sector rent. Something for everyone. Whether you want to live alone, together or with your family: the houses vary from approximately 59 to 217 m².

We will start on 22 September 2021 with the rental of the first phase of this project. This phase consists of 64 apartments.

Interested? You can register via the project website of De Meester (<https://hurenindemeester.nl/>) from September 22, 2021 to October 6, 2021.
